- This covers the costs of all your child's stationery, craft supplies and equipment.
- A nylon library book bag and face cloth.
- All entertainment, special events and shows. We aim for 1 per term.
- Sport-Tees lessons to develop gross motor skills and Music classes to enhance creative competence.

- ☺ The Playshop opens its doors at 7h15 and we are here until 14h00 Monday to Friday.
- ☺ We follow the Independent School Calendar and have 3 holiday periods within the year, these generally fall over April, August and December.
- ☺ A private holiday club is run through the holidays by the teachers, and this is not included in the school fees.
- ☺ A mid-morning snack is served daily, this includes sandwich triangles, provita or rice cakes, which rotate daily plus a seasonal fruit.
- ☺ Due to allergies, dietary restrictions, and the very specific eating habits of different children, we now ask parents to send a healthy lunchbox to school daily. **NO NUTS allowed at school.**
- ☺ The Playshop offers some of the most superb facilities available, with beautifully stocked classrooms, 2 playgrounds, weekly gross motor activities, baking and music classes.
- ☺ Our teachers provide not only an education for your child but strive to create a warm and loving environment, allowing your child a safe space to meet all their developmental milestones.
- ☺ Our teacher pupil ratio is limited to a maximum of 18 in the preschool classes and a maximum of 16 learners in our Grade 00 class.
- ☺ Our youngest class has a three day per week option, so the class as a whole is bigger but never exceeds 16 learners on a particular day. There are 3 assistants and a class teacher at all times.
- ☺ The maximum number of learners per carer is set at an 8:1 ratio and each class has a class teacher and a dedicated caregiver or two to assist the class teacher ,depending on the class size. In the Grade 00 class we accept a maximum of 16 children with one teacher.
- ☺ We provide regular progress reports to record your child's progress and development. In the first term we have individual parent meetings but encourage daily interaction with your child's class teacher.
- ☺ We offer a variety of Extra-mural activities and therapies for further stimulation and development of your child's critical skills. You are able to select the ones that most appeal to your child and we provide a safe and secure venue for them to take place.
- ☺ Please note that all Extra-mural activities are run by private individuals. You the parent, will enter into a contract with the person/s concerned and make payments directly to these person/s.

We hope that the above information will enable you to plan your budget and allow you a certain degree of choice regarding payment options.

We look forward to a very full and rewarding year and hope to have your support as everything we do is in the best interest of your children.

Kind regards
